

2020 Summer Program Media Opt-Out Form

Media Participation (For Parents of Students in Grades Pre-K to 12)

During this summer course/program, there will be times when the school division and organizations authorized by the school division, such as media representatives, will seek to interview, photograph and/or videotape students during regular school hours on school grounds and/or at student activities. This generally will lead to students being featured in publications, social media, websites, television programs, radio shows or video productions. Please note Virginia Beach City Public Schools (VBCPS) carefully screens any requests from outside groups to help ensure that student work and accomplishments are highlighted in a responsible and appropriate way.

If you do NOT want your child's photograph, image or name in any outside agency's and/or school division's print materials or website/social media, please complete the information below and return this form to the school.
